

# FRASCA

LA GUARAGNA

S È J

## MONFERRATO D.O.C. BIANCO

**Grape variety** 85% Arneis,  
15% Rhine Riesling

**Vineyard** Guaragna estate, municipality  
of Nizza Monferrato; designated slope  
benefitting from frequent marine wind,  
loose soil rich in minerals

**Vinification** delicate pressing, weekly  
bâtonnages from the end of fermentation  
until February for complexity

**Aging** stainless steel tanks, period of rest  
in the bottle

**Longevity** impressive youthful  
expressions, but we expect interesting  
evolutions for 4-5 years

**For us** the only current blend of Frasca;  
combining the aromas of Arneis with  
the freshness of Riesling, each sip  
continuously calling for the next

**On the label** flashes of the Guaragna  
starry sky on summer nights
